

# Radius Plates Order Form

## 1) Recessed Radius Plates

### A) Side Profile

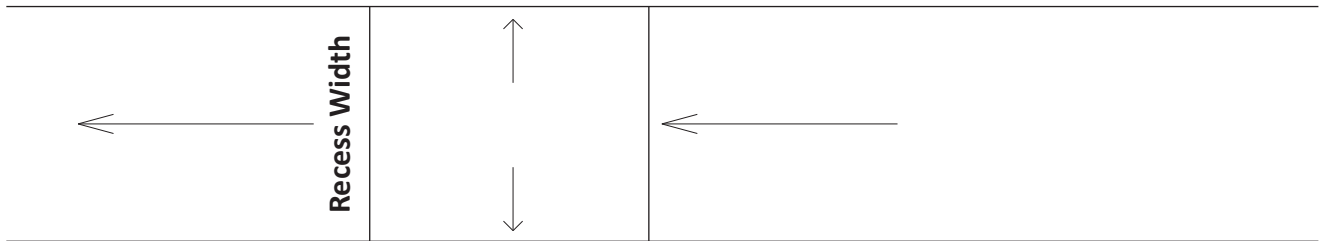

Type 1

### B)

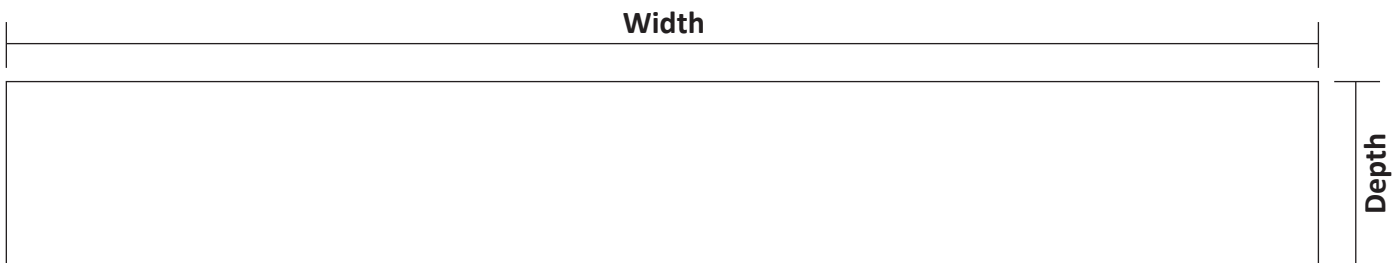

Type 2

## 2) Surface Radius Plates

When no recess is provided the radius plates have to accommodate the platform profile.

Also specify if the jacking beam sits on the inner top of the lift platform or runs on a dedicated rail.

Please return the form via Email to: [james@jhmbuttco.com](mailto:james@jhmbuttco.com)
